

## TWENDE PAMOJA PUPIL REPRESENTATIVES MEETING

Wednesday 14 June 2017

9.30 am to 12.00pm

The following is a summary of the ideas and suggestion that the Twende Pamoja Pupil Representatives worked out in small inter-school groups and which were then shared and discussed at the end of each section of the programme.

### **A Peace Filled School**

*What could be done to make your school a Peace filled School?*

*What could be done to take the Global Vision and Peace work forward in September?*

- focus more on Peace in school
- have a school Peace Assembly
- have a school Peace Walk, Picnic
- have a Peace Party
- create a School Peace Song, Peace Dance
- put on a Peace Show
- involve famous people to help spread the word
- make and send Peace Cards
- have people watching out for fighting, play fighting and arguments in the playground
- have a Peace Protest against war
- climb more mountains for Peace
- make friendship bracelets
- make Peace Doves at home
- find ways to help each other
- use the Peace Prayer
- stop bullying to make people more aware of the advantages of Peace
- find ways to reduce discrimination against people who are different
- work to end racism
- raise disability awareness
- promote walking together (Twende Pamoja)
- treat others the way you would like to be treated

## **Literacy Project** (Reading, writing, listening, talking)

*How can we creatively spread our message of hope for a Peaceful and Just world?*

- write peace stories, songs, poems, plays
- make Peace picture books
- use Book Creator to produce a book to be shared with partner schools
- make school plays based on the idea of Peace
- make a Peace Video
- make Peace Leaflets
- use art to send creative Peace Messages .eg. Peace Sticks with messages
- create a Peace Website
- send our Peace stories to Tanzania

## **Communications**

*What would pupils in your school like to know?*

*What would pupils in your school like to share?*

*How can these things be gathered together and communicated?*

- find ways to make out partnership stronger
- send and receive letters and e mails
- use technology: Facetime, Skype, Whats App, texting
- have a joint You Tube Channel
- have more Twende Pamoja Representatives
- send video messages and make videos
- share our culture: beliefs, interests, social activities, clothes, hobbies
- share about and cook each others food
- send photographs and pictures of classes and school events
- make pen pals / communicate from class to class
- share games and sports
- provide a Laptop, iPad for pupils, camera

## **Environment**

*What does your school do to raise awareness about the environment?*

*What does your school do to look after the environment?*

*What could your school do that you could share with young people in Tanzania?*

- set up tree planting projects
- send a tree to Tanzania (or pay for one there)
- find out about the use of wood in Scotland and Tanzania
- investigate recycling and upcycling
- share how different schools share about rubbish and investigate what happens in Tanzania with rubbish
- look at composting and sewage and waste disposal
- find out about wildlife in Scotland and Tanzania and share the results
- set up a school beehive (very practicable in Tanzania)
- make a home for animals

## **Other Suggestions**

- organise charity events
- fundraise for less fortunate children
- help provide better health care for young people in Tanzanian schools
- raise money so that pupils in our partner schools can have the same as us
- send resources e.g footballs, skipping ropes, sports equipment, fidget spinner
