

P3 Home Learning Wall - March 2020

<i>Literacy tasks</i>	<i>Maths tasks</i>	<i>Health and Wellbeing tasks</i>	<i>Other tasks</i>
Keep a diary each day. Maybe write a few pages about what you did, or even just a sentence to highlight the best thing about your day. Don't forget to illustrate it.	Log in to your SumDog account using your login details and play the games.	Try to do something kind or helpful each day. Perhaps you could create a cartoon strip or other visual to show all of the acts that you carry out.	Research a Scottish artist we haven't learned about yet and create your own piece of art inspired by this artist.
Spend some time reading for enjoyment. Maybe you could also read aloud or act out a scene from your book to a family member or pet.	Find a way to practise your 2, 3, 4, 5 and 10 times tables. Perhaps write a song, make up a game or create a poster for your room.	Go onto YouTube and search for " The Body Coach " workout. Follow one of his exercise routines.	Sign up to Duolingo (app or website) and practise French.
Design a new front cover for a book you have read.	Play a maths game on your laptop, computer or tablet from one of the following websites: www.topmarks.co.uk www.mathsbot.com www.math-drills.com (these are printable worksheets but could be copied from a screen)	Plan a healthy lunch for your family. Remember to include a variety of foods from the Eatwell Plate .	We have been exploring Mary Queen of Scots in class. Choose a key event in her life that interests you and carry out your own research on it. You may present this however you like - booklet, powerpoint, talk, etc.
Choose some tricky words and practise writing them in rainbow writing. Go outside and paint your words on the ground with water.	We have been learning about <i>shape</i> and <i>symmetry</i> in class. Can you make a picture using a variety of 2D shapes, or make a pattern? Can you find any objects that are symmetrical in your home?	Go onto YouTube and search for "Cosmic Kids Yoga". Follow the routine.	We were going to be exploring Woodland Habitats in school. Choose one woodland animal and research it's habitat. You could create a poster or booklet to share your learning.

<p>Write a short story using as many of the tricky words as you can.</p>	<p>3D Shape Model Use recycled materials to make a model using 3D shapes you know. Make a castle Using 2D shapes draw a castle.</p>	<p>Write a list of things you are thankful for.</p>	<p>Create an imaginative story set in a woodland habitat. Remember to use adjectives to set the scene!</p>
<p>Write a letter to a friend or family member. Perhaps you could send your letter to a classmate you haven't seen.</p>	<p>Make an analogue clock out of a paper plate. Practise making o'clock, quarter past and half past on it.</p>	<p>Create a happy 'jar'. Find a jar or similar object, decorate it how you wish. Fill the jar each day with a positive thought or happy memory. At the end of the summer term, look back and read all your happy notes.</p>	<p>Sing along to some 'Jack Hartmann' maths songs on You Tube.</p>
<p>Pick a sound and look for it when sharing a story. This could be done more than once with a different sound each time</p>	<p>Dinner Time! Record what time you have your breakfast and dinner for a week. Try to read the clock yourself.</p>	<p>Create a Healthy Meal On a paper plate, draw or cut out pictures of healthy foods to create a healthy meal for yourself</p>	<p>Make your own maths or literacy boardgame.</p>
<p>Create a wordsearch or crossword using your tricky words.</p>	<p>Plan to make a healthy lunch and make a shopping list of items. How much will it cost to make your lunch?</p>	<p>Love Tree Create the 'trunk' of the tree by tracing your hand and forearm. Make leaves by cutting out small paper hearts. On each heart write something you love about yourself or your life.</p>	<p>Use the empty grid to add any of your own learning tasks and keep track of activities.</p>

Use this grid to create your own tasks, or keep a record of anything extra you do.
