

Hi Anna,

We want to take a moment to make sure you know how privacy works in Seesaw.

For starters, please know that protecting your privacy and that of your students is fundamental to our mission and business. We truly value the trust you put in us and have long-standing **privacy promises** in place:

1. We never sell your data or student data.
2. We never advertise in Seesaw.
3. We don't own the content you add to Seesaw.
4. Student work is private to the classroom by default.
5. We are compliant with FERPA, COPPA, and GDPR.

We're honored to be a part of your classroom.
