Choose from afternoon or evening session

This session is about how parent groups can continue to hold regular meetings and Annual General Meetings in lockdown. We'll look at alternative platforms for hosting online meetings and share hints and tips from Connect. These will include good practice for Committee Meetings and Annual General Meetings and help with moving your meetings online.

Parents are invited to share their experiences and ask questions.

After you register, we will send you a link to join the session. If you have any queries, please contact [training@connect.scot](mailto:training@connect.scot)
