

Good afternoon to you all again.

I am delighted to be able to share this with you and have attached a teaching staff list for your information. This information will also be on the school website and I will let our school community know through Twitter too.

As you know, Mrs Kerr retired during lock down which was not as we planned it obviously! We are going to plan something to celebrate properly when we are all able to be together again. We will miss having her at the Royal High Primary School but know we will keep in touch.

We are going to be saying a very fond farewell to the wonderful Miss Johnston for the time being. I thank her for all of her hard work with P6a this year. They have had a great year and I know will miss her a lot.

We have been able to extend Miss Voss' contract and she will be staying with us for the first four weeks initially. I am hopeful we will be able to extend it beyond then but with the current delays in recruitment I will have to wait until after the Summer holidays until I can confirm this.

I would like to introduce you two new teachers who are joining us this session.

May I introduce Miss Ruth Kinghorn, who will be our teacher for P3b, and Miss Marie Anderson, who will be our teacher for P4b. I have attached a photo to this message so you can share this with the children so they can put a face to the name. Both Miss Kinghorn and Miss Anderson have been in touch with their classes teachers from this year and undertaking close transition discussions. They have both made a video to the children which they are going to upload onto Seesaw to enable a positive initial communication.

As a staff we are working together to plan transition activities for our children for the final week of this session so keep an eye out for these coming out on Seesaw.

We are really excited about the staff team for next year and are already working together to prepare for the start of next session, whatever that may look like!

I will continue to keep you updated with regards to the model of blended learning as and when I hear from the Council.

Please contact us through the school admin account if you have any questions about this.

Many thanks.

Take care, keep well and stay in touch.

Anna
