

**The Royal High Primary School**  
**Head Teacher's Daily Update for Families**  
**Hub Provision Procedure**

★ Good morning families.

★ I hope you are well and managing in these really challenging times.

★ I can't imagine how stressful it is for you all being in such a state of limbo with regards to the final model of blended learning which we are still waiting to be approved by the Scottish Government and the City of Edinburgh Council.

★ I know you appreciate the immense pressure we are under as a school team and please be assured that we are working extremely hard behind the scenes to prepare for a number of eventualities.

★ I have decided I am not going to rush to share our model of blended learning before the end of the week as I want to make sure the information I am sharing is as accurate as it can be, in line with the Council mandate. As we are still waiting for absolute confirmation of this I will wait until Monday to do this.

★ I know this is frustrating and, believe me it is equally frustrating for us as a school team. We want what is best for the children, whilst supporting you, and are really keen to have firm plans in place before we break for the Summer holidays.

★ I know some of you have been enquiring about the Hub Provision for Key Workers as more of you are expected to return to work.

★ I have created a document with all of the updated information about this process which I have attached. It will also be uploaded on to the school website.

★ Please contact us through the school admin email if you have any questions or need clarification.

★ We are with you and for you.

★ Thank you for your ongoing support and patience.

★ Take care, keep well and stay in touch.
