

25.08.2020 HT's Update for Families – Introducing Darren and COVID-19:FAQs document

Good morning all.

I hope you are well despite the rather inclement weather. Thank you for sending your children with their wet weather gear. They have been having great fun outdoors, particularly enjoying the puddles!

I wanted to introduce you to our new Facilities Technician (also known as our janitor!), Darren Scott. I have attached a photo so you can say hello to him when you see him. He's really pleased to be joining the RHPS team and I know we will all make him feel really welcome.

On another note, I have attached the NHS Lothian document, COVID-19: FAQs for schools and early learning settings.

There is so much guidance coming out just now that it is hard to keep up. Documents like these are really useful for answering some of the more commonly asked questions. I hope you find it useful.

If you do have any other questions, please do not hesitate to contact the school through the usual channels - admin@royalhigh-pri.edin.sch.uk or 0121 669 3200.

Have a great day, take care and keep well.

Anna
