

01.02.2021 HT's Update for families

TEAMS guides, RHPS Rock Snake and Friday Fun Live Disco with Mrs H-D!

Good morning families.

I hope you are well and had a lovely weekend. Lovely to have some sunshine.

Today I have three things to share with you.

Firstly I have attached some more TEAMS guides which I hope will give extra support to your children and you using TEAMS.

Secondly I wanted to share that our wonderful Parent Council have started an RHPS Rock Snake and they wanted me to invite you to add your rock. Here is a message from them to you:

Children/ parents/ teachers, you can paint a rock any design you like and add it to the row. We'll see how long we can make it. If you don't want to paint a rock you could go and visit it to see all the different designs

What a lovely idea! I am really looking forward to watching our wee snake grow.

Finally, to make sure we end the week with a bit of fun and the chance to express ourselves, instead of a recorded assembly, this week I am going to have a live 'Disco' on Friday from 11.30am - 11.50am!

I'll be spinning the tunes but I need your children's help to build up a playlist to get everybody up and moving.

Please could you help your children send in their requests to me via the Form I will send out later today through their TEAM by Wednesday at 5pm so I can include their favourite tune in the disco!

I would love everyone to wear something bright, sparkley and disco-tastic to really get in the mood for some musical fun!

Looking forward to hearing from you.

Looking forward, I will be in touch after Nicola Sturgeon's announcement tomorrow.

In the meantime, please keep in touch and email us through the admin account if you need to get in contact.

Thank you.

Take care, keep well and stay in touch.
