

30.04.2021 Head Teacher's End of Week Update for Families

Good evening families.

I hope you are well and have had a good week.

Apologies for the lateness of this update. It's been a very busy week but I didn't want to end the week without my usual update.

There are just a couple of things to mention today.

Firstly my continued thanks to the whole school community for their efforts in keeping everyone safe and sticking to the guidelines. We have remained without a positive case and a lot of that is down to us being rigorous with keeping to the risk mitigations. Thank you, everyone. We just need to keep going in the same way to ensure we are all able to keep coming to school and keep the children learning.

I would like to draw your attention to the fact that this month is Care Experienced History Month. You can find out more information by looking at the 'Who Cares' website - <https://www.whocarescotland.org/what-we-do/campaigns/history-month/>

I will be introducing this to the children at next Thursday's Achievement Assembly and sharing links through the whole school Twitter and my updates.

I wanted to let you know that you will be receiving an End of Year Progress Report from your child's teacher the week of the 14th of June. These will be emailed out to you so please make sure that the school has the right email address for you. Thank you.

The Parent Council continue to be a valued support to us and are planning some fundraising events with a real focus about community. I will send out the information about these fun activities in the next couple of weeks. It'd be great to get as many people involved as possible so please keep your eye on my updates, the Parent Council Facebook page and the whole school Twitter account.

Here is the link to this week's Head Teacher End of Week Check In - <https://youtu.be/Aa4QAwEIJ1E>

As ever if you have any questions, please contact us through the school admin account, admin@royalhigh-pri.edin.sch.uk. We are always here to help.

I hope you have a lovely long weekend and look forward to seeing the children back at school on Wednesday.

Take care, keep well and stay in touch.

Anna
