

The Royal High Nursery Renewal Plan 2021-2022

Edinburgh
Early Years

This year, we aim to further improve our provision and practice by...

Empowering our staff to
be leaders of learning

How

- Ensuring all staff have an area of leadership within the nursery
- Sharing and utilising CEC training opportunities to further support staff development
- Providing PRD's for all staff and supporting them to identify targets for their professional development

Putting rhymes and
stories at the heart of
our provision

How

- Developing a love of stories and rhymes among our children
- Ensuring we offer rich literacy opportunities for all children, both inside and out
- Introducing story of the month to ensure deep level engagement with stories throughout the year

Promote our nursery
values and aims with our
parents, children and the
wider community

How

- Modelling and discussing our nursery values in a way that is engaging and appropriate for young children
- Sharing examples of our values in action with parents
- Making links with the wider community to share and put our values into action
